

COMMUNITY IDEAS FORUM

Drafting Strategies to Achieve La Plata County's Comprehensive Plan Vision & Goals

SATURDAY, FEBRUARY 27TH

9:00-3:30

DURANGO RECREATION CENTER

In January the comprehensive vision and goals were modified and agreed upon by the community. It is now time for us to come together to identify the strategies and actions that will help us to achieve our vision. The Ideas Forum is structured as a community dialogue. You will work in one topic group throughout the day to draft strategies for comp plan goals. Strategies will be developed to deal with issues important to the community such as: economic development, agriculture, land use, social services, housing, the environment, and transportation.

In the afternoon, groups will present back their strategies, discuss common themes, and refine opportunities. The strategies and actions developed in this forum will be the foundation to implement the comprehensive plan.

The plan's Guiding Principles, Vision & Goals, along with background materials, are available on the plan website for your review. Lunch & childcare will be provided.
